Dear Parents/Carers

## Coronation Celebration

Thank you to all the parents/carers that were able to make it to our celebration on Friday, such a shame that the weather wasn't too kind to us but I we hope that you still enjoyed the event. FoSM raised £270.80 from the sale of drinks, cakes and cream teas.

There were also enough cakes left over to donate a cake for every child in school today and a special cup-cake each for Year 6 after completing their SATS week.

We have also posted a video on our website of the children singing the Coronation Song and here are some pictures of the children from the day, apologies the Class 2 are missing (we promise to get you a lovely photo soon!).

Our next collection for Rags to Riches is taking place on **Tuesday 16<sup>th</sup> May**. You should have all received a collection bag which was sent home with children this week. If you have more than one bag to fill, you can use any large bag. It is a great opportunity to support the school if you are having a sort out! Please could you drop bags on the morning of the collection (anytime between 7:45am and 9:15am) and leave in the playground opposite the main entrance gate.

Here is a link showing which items can be donated: (Article 270 The right to clothing)

## Sponsored Walk – Friday 26<sup>th</sup> May

Our annual Sponsored Walk is such a great experience for the children, as well as being a very important fundraising event for FoSM. The money received goes towards the huge cost of the Pantomime Trip, this year booked for 6<sup>th</sup> December for classes 1-4. Please hand in all sponsor money into the school office as soon as possible. We also need to receive the slip which was with the letter to confirm who will be collecting your child from Beechenhurst (The Glade) at approx. 12:30pm.

The route this year is slightly longer, totalling approx. 5 miles as we are having to avoid Forestry works. Forestry England have also asked if shoes/boots/buggies could please be cleaned (of mud and leaf debris) prior to the walk and again after, as part of the need to reduce the spread of tree disease.

As previously requested, please also order a school packed lunch (via ParentPay) if you would like to do so, this is for those children entitled to **Free School Meals or Universal Free School Meals only**. The meal will be available for you to take away when you collect your child.

There will be **no After School Clubs for any children on this day, including Pre-school children and the Prostars Club.**

**Class Snippets - (Article 28- children have the right to an education. Article 29- Education should develop a child's talents, personalities and beliefs)**

**Pre-school** – the children enjoyed sharing their experiences of the coronation of King Charles III. We have had lots of discussions around the weather – Tuesday's Thunder and lightning especially! We have created buses, planes and trains using loose parts and chairs, making train tickets and looking at maps of the UK and Cinderford.

**Class 1** have been writing facts about different animal groups and how to identify them by their different characteristics. We have been using our phonics knowledge to be as independent as possible when writing and we have all been working hard on our letter formation. In maths we have been looking at the composition of 10, which has been challenging at times, but we are beginning to understand our number bonds.

**Class 2** have started learning about time this week in maths. They have picked this up so well and I have been impressed with their retention of o'clock times. I have been challenging them throughout the day to use our clocks to see what the time is. I am very happy to see the great understanding of the big hand showing the minutes and the small hand showing the hours. Next week we are working on half past times and I'm excited to see the progress continue.

**Class 3** have had a busy week working with lots of different supply teachers. Ms Rix told me that the Y4s showed a brilliant knowledge of decimal place value and I saw them enjoying completing Roman Soldier interviews in history. Miss Munden said that they listened very well on Tuesday and

she was impressed with their story sequencing of Leon and the Place Between. I have been looking forwards to seeing them all today!

**Class 4** have had a very busy week. Year 6 have completed their SATs and worked very hard. There have been some very tricky papers this year but the Y6s have taken it all in their stride and followed the advice and support of the adults around them - their resilience and tenacity has really shone through and we are already very proud of them. There will now be a big focus on writing for Y6 as we approach the moderation window and teacher assessment phase. Year 5 have been working hard this week on perimeter and area, and they have been working hard on research projects linked to Ancient Greece - they have been very supportive of the Y6s and respectful of the test conditions.
