

## **Barnardo's Forest of Dean & Stroud HAF Community Connectors**

**Have you identified a family who require further support during the Easter  
Holiday, Activities & Food Programme?**

We can support with the following:

- Help families sign up to the CABS system and book them onto activities
- Organising transport and appropriate clothing in order to attend Easter HAF activities (liaising alongside District Leads and providers)
- Signposting and referring to other agencies where a need has been identified by a provider or district lead
- Support children to attend activities that best suit their individual needs (supported by the use of 'All About Me')
