

Family Christmas Engineering Fun (HAF)

Tuesday 20th December

10.30am - 2.30pm

We are bringing the excitement of the Bloodhound, a land speed record Car designed to run at 1,000mph to

Cinderford

Fun, hands-on activities where you will design and build an air-powered rocket car. Test and modify your design before racing it and see the results.

For children who are eligible for free school meals accompanied by parents and carers. Under 6's welcome as part of a family group.

At The Wesley (Forest of Dean Community Arts Centre), Bell Vue Road, Cinderford, GL14 2AA.

All HAF children and parents attending will receive a hot meal catered by Harts Barn Cookery School.

To book a place please visit:
